

We are glad to invite the general public to the opening session of the

Italy – Israel Meeting on  
Non-Equilibrium Physics:  
***Theory and Experiments of  
quantum many body dynamics***

**Public lecture on  
“Order and Chaos in the Quantum World”**

By Prof. Alessandro Silva (SISSA, Trieste)

**Monday, April 11**

**Lobby of Nanotechnology Building (#206), at 10:30**

Free entrance. Refreshments at 10:00

Registration and program: <http://italyisrael.py.biu.ac.il>

This workshop is supported by the Embassy of Italy in Tel Aviv
